DEFINING MOMENTS 

JKLU gets 'A' Grade from NAAC in first attempt

On April 20-22, 2022, JK LakshmiPat University, Jaipur went through the process of assessment by NAAC (National Assessment and Accreditation Council) and were accredited with “A” Grade in their very first attempt. Only two other higher education institutes in Rajasthan have a higher rating.

NAAC accreditation identifies the quality of the institute in terms of its education, research, faculty, infrastructure, placements, etc., as well as gives students confidence that they are selecting a quality institution. It gives an institute instant credibility.

The NAAC Peer Team assessed JKLU on the following 7 criteria:

- Curricular Aspects
- Teaching-Learning and Evaluation
- Research, Innovations and Extension
- Infrastructure and Learning Resources
- Student Support and Progression
- Governance, Leadership and Management
- Institutional Values and Best Practices

and awarded a CGPA of 3.05 and the prestigious “A” Grade, on the basis of their evaluation.

Expressing his gratitude to the entire team which made achieving this feat possible, Vice Chancellor Prof Dheeraj Sanghi said...

The grade reflects our hard work, our aspirations, and our commitment to quality and excellence throughout our existence of a little over a decade. Each one of you has worked towards making the university what it is today. I believe that this grade truly reflects the large strides this university has made in the last several years and today we truly provide an education which is comparable to the best not only in the state but in the country. We feel very encouraged by this recognition and it motivates us to continue our march towards excellence with a stronger vigour and commitment.

ACADEMIC ROUND-UP

Academic Forum Session on Experiences, Thoughts, Challenges and Perspectives

An academic forum session on Experiences, Thoughts, Challenges and Perspectives was conducted on April 1, 2022 by Dr Sudhir Raniwala, Professor Emeritus at JKLU. He started with his experiences in teaching, discussed about his first class as well as his journey as a teacher. He also discussed his thoughts on being a good teacher and challenges to be one. Criticism is must but bloom where thorns are planted, is the lesson he tried to give away in the session. He advised the faculty to aim their lectures at the middle level, provide higher learning goals to the top students and give some extra time to students at the bottom. The session was co-ordinated by Dr Sonal Jain, chair, Academic Forum.

Academic Forum Session on Smart Class Set up @ JKLU

An Academic forum session on Smart Class Set up was conducted on April 7, 2022 for faculties of IET, ID and IM by Ekin Team. The team explained usages of Smart Class Set up with demonstration of live class including Hybrid Class. Faculties experienced it and were able to resolve their queries. The session was co-ordinated by Dr Sonal Jain, Chair, Academic Forum.

At the end of the event, all participants enjoyed some refreshments with CCCT members and shared their feedback on a piece of paper.

ACADEMIC ROUND-UP

Workshop on 'Governing the Crisis: Covid at the Margins in India'

JK LakshmiPat University, Jaipur hosted researchers from across disciplinary backgrounds to undertake a workshop on 'Governing the Crisis: Covid at the Margins in India' from April 15-16, 2022 in hybrid mode. This workshop investigated two interrelated concerns. It examined the governance aspect by firmly positioning the crisis narrative at the heart of marginality, thereby explaining the effects of Covid on communities that continue to remain at the nation's margins. It also presented varied voices and granular narratives of sufferings that structured the lives of the poorest and dispossessed in the country during a crisis. The sessions addressed the grief and trauma sent awash due to the pandemic humanely and analysed structural violence that uses those on the margins as fodder. Afreen Faridi, Assistant Professor at CCCT, organised the workshop alongside Post-Doctoral Researcher Rahul Ranjan from Oslo Metropolitan University. The session was organised with support from AsiaNet at University of Oslo (UiO). Afreen presented his work locating 'Nation-State machinations & pastoralism within the Gujjar and Bakkarwal Tribe of J&K'. JKLU welcomed scholars from across spatial, social and pedagogical locales including Ritwika Patgiri (SAU, New Delhi), Aashish Xaxa (IIT, Gandhinagar), Manjesh Rana (Delhi Legislative Assembly Fellow), Anwasha Dutta (CMS Norway), Rituparna Patgiri (IP College for Women, New Delhi) and Aparna Agarwal (University of Oxford).

The Institute of Engineering and Technology bade farewell to BTech 2018-22 and MTech 2020-22 students on May 27, 2022 through a farewell meet. There were dance and music performances, games and interactions among students and faculty. The organizers for the event were 3rd-year students of BTech. The titles of Mr. Farewell and Ms. Farewell were given to Ayush Sharma and Shivi Sharma respectively from BTech 2018-20 batch. All outgoing students were presented with folders. The event ended with a group photo followed by High Tea.

Short Film screening: Juice

The Centre for Communication and Critical Thinking organised a short film screening of "Juice", facilitated by Ms Azeemah Saleem, at Engineering Studio, from 11:00 to 12:00 noon. The session was for the B.Tech first year students. There were 105 students for the screening. The short film emphasises the notion of patriarchy, pre-defined gender roles, the impact of verbal and non-verbal language in discourse formation, and the question of space in the household. The purpose of the screening was to create gender sensitivity, be conscious of the socially constructed inequality, and the methods to reclaim the space of equality. The screening was followed by discussion.

Plantation Drive: World Environment Day

On the occasion of World Environment Day, a Plantation Drive was organised both in house and out of campus, on June 4, 2022. At the campus, Prof. Sanghi and Dr. Goel inaugurated the drive by first planting trees on campus and later students also joined. Along with planting trees, 5-6 bird feeders were also installed on campus. JKLU students collaborated with Mahindra SEZ for an off-campus tree plantation drive. 30 students and 10 faculty/staff went to Mahindra SEZ campus and planted more than 80 trees.

Blood Donation Camp on Birth Anniversary of Shri Hari Shankar Singhania

On June 20, 2022, JKLU organized a Blood Donation Camp at campus in association with Swasthya Kalyan Blood Bank, Jaipur to commemorate the 89th Birth Anniversary of Late Shri Hari Shankar Singhania, Founding Chancellor, JK Lakshmipat University. In this Camp, 68 Blood Units were collected which were donated by the employees, students and the local persons voluntarily.

PANORAMA OF EVENTS

International Yoga Day 2022

International Yoga Day 2022 celebration was held at JKLU on June 21, 2022. The event was attended by students, teaching and non-teaching staff available at campus along with their family members. Employees participated in the activity with full of enthusiasm and celebrated the 8th International Day of Yoga 2022, themed "Yoga for Humanity". On International Yoga Day-2022, JKLU also organized a session on "Meditation". The expert speaker was Sister Anamika from Prajapita Brahma Kumaris. Yoga brings balance between body, soul, and mind. It helps us to understand the purpose of life and how to survive in the changing environment.
