In conclusion, we believe that our hostel facilities will provide students with a comfortable environment for effective learning and personal growth. We invite students to experience the best of hostel life at our university hostels.

In Hostel Facilities

Our hostel offers a spacious and fully furnished common room that is perfect for socializing and relaxation. The common room has following facilities:

- It is equipped with comfortable seating arrangements where you can lounge and hang out with your friends.
- You can also enjoy your favorite TV shows or movies with our TV facility that is available.
- For those who prefer indoor games, we have table tennis and carrom boards available.
- We also provide a pantry facility with essential amenities like an induction stove, microwave, and kettle, so you can prepare your own snacks and drinks at any time.
- We also provide a refrigerator for storage of fruits, milk, curd, and use of ice cubes as per requirement.
- The common room is open 24/7, so you can use it whenever you need a break from your studies or just want to relax with your fellow residents.
- We understand that climbing stairs can be tiring, especially if students are carrying heavy bags or groceries. To make your life easier, our hostel is equipped with lift facilities that allow you to reach your floor easily and quickly.
- We provide a fully Wi-Fi-enabled hostel so that students can stay connected with the world anytime, anywhere.
- In case of an emergency, a first-aid kit is available at the hostel.
- To ensure that students have access to clean drinking water, we have installed water coolers with RO systems at alternate floors.
- We understand that accessibility to washrooms is crucial. That's why washrooms are easily accessible at each floor, located on both sides of the floor for student's convenience.
- We offer free AC servicing facilities for all AC rooms in our hostel. This means that you can get your AC unit serviced and maintained without any additional cost or fees.
- Student's safety and security are our top priority. Therefore, we have a security guard available 24/7 at the main gate of the hostel. Additionally, we have placed fire extinguishers on every floor of the hostel to ensure the safety of our students in case of any fire hazards.
- Each floor of the hostel is equipped with CCTV cameras on both sides, ensuring a safe and secure environment for all residents.

On-Campus Facilities

Our campus offers a range of on-campus facilities to support the academic and personal needs of our students. These facilities are designed to create a safe and nurturing environment that fosters student growth and development. The following are the on-campus facilities available for students to access:

Size: The campus spans over 30 acres in size. It provides ample space for academic buildings, student housing, and various facilities such as sports fields and recreational areas.

Sports Ground: The campus features outdoor sports facilities such as basketball, football, cricket, badminton, kabaddi, racing, and volleyball: These facilities provide students with opportunities to engage in physical activities and promote a healthy lifestyle.

Mess: The mess provides a wide range of high-quality and diverse food options. The mess is an important aspect of campus life and serves as a place for students to gather and socialize. The quality and diversity of food options help to ensure that students can find meals that fit their preferences and dietary needs.

II. HOSTEL ROOM AND ROOMMATE SELECTION

A. Room Allocation:

1. At the beginning of the academic year, room allotment is made on a Twin/Triple-sharing basis for the entire academic year in the building earmarked as Hostel by the University. Allocation of Hostel Building will be done as per the strength of the different program, batch and years students.
2. room and roommates once assigned cannot be changed in between of an academic year without official authorization.
3. In case of any medical emergency or any other need base request, students wants to stay in a single occupancy room, he/she may be allocated the same, subject to availability and payment of special applicable charges for the single occupancy rooms.

Note: Students who are not enrolled in any academic courses will not be allotted a room in the campus.

B. Disability-related Accommodations:

1. Students are expected to self-identify any specific disability-related needs and raise their request via email with the office of Chief warden to avail housing accommodations prior to the start of the academic year. Incoming students may reach out to the office of Admissions first while returning students (who have a newly diagnosed condition or a change to a previously documented condition) can register directly with the office of CW.
2. Students are required to provide comprehensive professional documentation of their disability to the office of the Chief warden, CW will then assess and recommend housing accommodations (such as location, lights, washroom accessibility, etc.
3. The student must be willing to live in any room that is determined to meet their disability/medical need by the University.
4. All such accommodations will be made on a space-available basis and only for the concerned individual not for a group.

C. Hostellers Rights

JKLU committed to provide a peaceful and joyful residence environment for the students staying in the campus and uphold the hosteller's basic rights. These are-

1. Right to privacy
2. Right to free and uninhibited access to the allotted room always.
3. Right to have the roommate and/or peers respect personal belongings.

4. Right to study and sleep peacefully in the allotted room, free from any undue interference or hindrance from the roommates and/or peers.
5. Right to be asked/consulted with and to grant/deny permission for having for having peers invited over in the allotted room.
6. Right to a hygienic and clean-living environment.
7. Right to free and uninhibited access to common spaces always.
8. Right to be treated as equal without fear of harassment, intimidation, bullying and physical and or emotional harm.
9. rights to discuss and resolve disagreements or conflicts in a respectful, civil, and open manner.

D. Roommate Allocation

1. Roommates are decided by the University for the incoming students randomly from across the programs, however, if any preference provided by the incoming students at the time of admission through Roommate Preference form will be duly considered.
2. Returning students are allowed to choose their preferred roommates by indicating the same in the Roommate preference form shared by the warden office at the end of the academic year and before students leaving for their summer vacation. Students can also share the list of Group of students who wants to stay together for the allocation of rooms in a particular floor or flats accordingly. Students can allocate the available rooms amongst themselves on mutual understanding and communicate the same to warden office.

E. Room Reassignment

1. Both occupants may request a room change for non-functioning room facilities or any other difficult room experience related to infrastructure.
2. In all such situations, the concerned students should meet with their respective warden for appropriate assistance.
3. Once the warden confirms the validity of the request made, they may recommend a room change for the occupants to the Chief warden.
4. If the room change request is approved by CW, the warden office will make an offer regarding the alternate arrangement. After the offer is made, the students will have 24 hour to decline or accept the offer. If the offer is accepted, the students will have 48 hours to move in to the newly assigned room and return the keys for the previous room. If the students do not respond to the offer within the stipulated duration of 24 hours, the offer will be withdrawn by the warden office.

Note: The reason for room reassignment or request for change must be in case of there is serious issues related to the infrastructure and non-repairable within the given time period.

F. Roommate Conflict

1. In case a student is experiencing roommate conflict, the following steps should be followed to best address the issue-

Step-1- The student should first make an attempt to improve their living situation by carefully and responsibly communicating with the roommate about difficulties faced.

Step-2- if communication with the roommate does not lead to positive outcomes, the student may go to their **Hostel Representative** from student council to seek assistance. The HR will arrange a mediation process so as to best resolve conflicts.

Step-3- If the problem persists, the HR will refer the matter to warden office through written communication, after reviewing the request, warden may again put his effort to resolve the conflict and if still fails, may refer the matter to CW office recommending the change based on availability.

Step-4- In case a roommate change request is approved, an offer regarding the feasible arrangement will be made by the warden office. After the offer is made Rule 24/48 will be applicable.

Note- Any roommate change made outside this process will not be recognized.

2. Students (except 1st year) may consider a one-on-one swap conflict situation, only after they have followed the first two steps mentioned above. A one-on-one swap will involve swapping of rooms with another enrolled student of same batch/programme with recommendation of HR and as approved by Warden and CW.

3. A single occupancy room can never be made available for a student(s) to resolve a roommate conflict in accordance with clause 01 of Section I.A.
